

OUR LADY OF PEACE

Ways to Help OLP and the Broader Community

"Stewardship is the ability to share one's gifts of life, time, talents, and resources with others with no strings attached and no conditions."

— the late Archbishop Thomas Murphy, Seattle

Please help us collect the items on this list.

As a quick reference, this sheet gives you a list of the many items we collect at Our Lady of Peace.

For OLP - milk caps, upc codes, lids, and labels are exchanged for money towards education needs. Plus there are several other items that companies pay money to recycle.

For our community - we sew old sheets into peepads for cancer patients, old stamps sold for money for our Missions, and food is collected for the local Food Shelves.

Bins are located at either the Church entrance on 54th Street or the entrance by the elevator. Ink cartridges can be placed in the large bin outside the entrance by the church elevator.
