Health Rescreen

FROM THE PRINCIPAL'S DESK

I'm sure you have noticed our format has changed since we are going 'green' and sending these electronically. We are hoping these are easier for you to open on your computers but the trade off is less space for information! Please do continue to give us feedback.

Update on the possibility for having a preschool next year... the planning has begun and I will host an open meeting for any interested parents, community members, etc. in early December. Watch for the time and date in next week's WEEKLY.

I had the opportunity to meet with the Finance Council this week and we are planning for next year so that we can get information to you in a timely manner. A decision that has been made is going to a family registration which includes school registration, extended day registration and possibly preschool registration! The registration fee will be \$125 per family. We will open registration in late January for 09-10. This coming Thursday, November 20 will be our first Kindergarten Open House from 6:00-7:00. I have already had the privilege of touring seven new families! Spread the word...good things are happening at Our Lady of Peace!

ANNOUNCEMENTS

OLP Night Out at Mancini's—Sunday November 23**Only one week away!! A great way to kick-off the holiday season!**

This event is a fundraiser for the school ministry. The cost is \$50 per person and includes appetizers, dinner and dessert. **We will have a raffle board with fabulous prizes to win.** Donations are needed for the evening. Please drop off all donations in the school office.

Fruit, Peas and cookie**Friday, November 21**Pizza
Caesar salad
Fruit

CASH FOR TRASH CORNER

Double Dipping

Everyone likes a double dip ice cream cone, so how about double dipping for money! Who wouldn't like that! Many folks already have a Target credit card. If you do, here's the scoop on how to double dip.

Online order - The next time you place an online order, start at www.btfe.com and click on the Marketplace tab. Select the store of your choice and place your order. When checking out, reach for your Target credit card for payment. You will earn .5%-1% for OLP from Target, PLUS the additional percent from the store where you just made your purchase. It's not one or the other, it's both!

Store purchases – Each time you shop for food or paper products, choose your Target card at check-out. Many of the products you are already purchasing have BoxTops or Campbell's Labels for Education on them. OLP is paid once for you clipping and sending those items in, PLUS the .5%-1% is paid to OLP from Target.

Of course we aren't suggesting the misuse of credit cards but if you are considering switching your card or are currently a cardholder, why not make the most of it?
