A Sense of the Season

All of our days are numbered. Now that Christ has risen from the dead and ascended into heaven, we count down the days until he returns in glory to judge the living and the dead. Ordinary Time is "ordinal" time: numbered days, days in which we lay out the scriptures and the prayers to bide our time until Christ returns.

Although the church makes no official distinction between the days of Ordinary Time from Pentecost until Advent, in our lives we experience the subtle shift from the relaxed days of summer to the increasingly active days of autumn. For some of us, the shift comes with the end-of-summer holiday or the beginning of school. Others see work activities shift, from tending to harvesting, from stocking shelves to increasing sales, from cashing out an old fiscal year to digging into a new one.

The church's calendar contains some subtle shifts, too. If we listen closely to the scriptures in October, we begin to hear talk of the last days and the final things. These thoughts reach their culmination with the great festival of saints and souls, November 1 and 2. And we spend November remembering the dead, preparing for the end and celebrating Christ, the first fruits harvested of the new creation, the firstborn from the dead.

This is the extraordinary opportunity that autumn's Ordinary Time opens up for us.

A Meal Prayer for Fall Ordinary Time

God, giver of all good gifts,
we are grateful as we pause before this meal
for all the blessings of life that you give to us.
Daily, we are fed with good things,
and nourished by friendship and care.
We give you thanks for the blessings of this table as we pray:
Bless us, O Lord, and these, thy gifts,
which we are about to receive
from thy bounty, through Christ, our Lord. AMEN.

THE MISSION OF OUR LADY OF PEACE CATHOLIC COMMUNITY

- arising from our communion
in the Sunday Eucharist -
is to proclaim the word of God,
to celebrate the presence
of the Risen Lord in our midst,
and to recognize the gifts
of the Holy Spirit among us
and use them to transform
our lives and the world
according to the pattern
of life Jesus has shown us.

ADMINISTRATOR'S CORNER

Happy Thanksgiving! Maybe you think that the snow has me jumping the gun on Thanksgiving. I have a good excuse, my snow-bird parents are heading south early and won't be here for Thanksgiving, so we are celebrating it this weekend (Canada's Thanksgiving celebration was this past Monday). We have so much to be thankful for that we should make everyday one of Thanksgiving. God continue to touch our lives with an abundance of blessings. What do you have to be thankful for? Lots probably! We are so blessed. Take some time this weekend to express gratitude to God for how you have been blest.

Gratitude is a quality similar to electricity: it must be produced and discharged and used up in order to exist at all." ~ William Faulkner

Stewardship

Good stewards must not argue about who is the most important. Today's Gospel says clearly that those who aspire to greatness must humbly serve the needs of all. Even Jesus came not to be served, but to serve.
